Dear Donor,

Over the past 43 years, AMKFSC Community Services (AMKFSC) has been making a difference by transforming the lives of disadvantaged and marginalised children, youths, families and seniors across Singapore. Our commitment towards enabling beneficiaries to pursue a better future by providing quality community services has been made possible by your support and belief in our cause.

We are currently tiding through unprecedented times, and many vulnerable and at-risk residents need our support more than ever, with unemployment rates, family violence, and other issues rising in the community. As a non-profit organisation, AMKFSC has been relentlessly providing social, financial, and other forms of assistance to meet these increasingly urgent and complex needs from disadvantaged individuals and families.

You have the power to bring hope, support, and a new lease of life to our beneficiaries who have been most impacted by the Covid-19 pandemic. With your donation, you will greatly help with our efforts in ensuring that no one in the community gets left behind and restore their opportunities to pursue a better future.

AMKFSC is a registered charity with an Institute of a Public Character (IPC) status. Your donation will entitle you to a tax-deduction of 2.5 times the donation amount, which will be automatically included in your tax assessment. For this purpose, IRAS will require you to provide your NRIC/FIN/UEN No.

Giving is not just about making a donation – it is about making a difference. Your generosity will go a long way in changing the lives of the less fortunate amongst us.

Thank you.

Dr. Vincent Ng
Chief Executive Officer
AMKFSC Community Services Ltd.
